Energy Clearing

Get an environmental energy clearing when:

- it is time for a change

The energies in the objects of your home absorb the energies of the people who live there and the events that occur there.

Janet clears homes, apartments, rooms, workplaces, land, even cars and trucks.

Whether she comes in person or does the clearing at a distance, in her unique four-level process, she works with the angels and devas to transform your space to one that sings with energy, clarity and vibrancy.

Distant Healing

Our bodies are designed to be self-repairing. They do a magnificent job each second of each day. They are like little kids, eager to fulfil their natures and full of vitality. We forget just how amazing they are.

Janet's job is to hold a focus, bring in the highest and best healing assistance she can get, and then watch the magical nature of your own body brighten in response. With the assistance of angels and prayer, she provides space for healing.
